CLEARINGHOUSE RULE 97-142

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]

2. Form, Style and Placement in Administrative Code

- a. In s. ER 18.02 (2) (b) 6., “(4m)” should replace “4m.”
- b. In s. ER 18.02 (5) (bm), “Stats.,” should replace “Stats.”.
- c. In s. ER 18.15 (2) (intro.) and (3) (intro.), “in either (a) or (b)” should be replaced by “under par. (a) or (b).” [s. 1.07 (2), Manual.]

Also, the creation of s. ER 18.15 (2) (a) and (b) and (3) (a) and (b) and the renumbering of s. ER 18.15 (2) (a) to (h) and (3) (a) and (b) should be undertaken in separate SECTIONS. Entire subunits of a rule should not be created by underscoring. If the only action being taken to a subunit is renumbering, the subunit should not be shown. [s. 1.06 (1), Manual.]

4. Adequacy of References to Related Statutes, Rules and Forms

In the fifth paragraph of the analysis of the rule, the citation in the third sentence should be added to the first sentence and the third sentence should be deleted. While s. 230.04 (5), Stats., gives the department general rule-making authority, s. 230.35 (2r), Stats., provides express authority for rules regarding catastrophic leave.
